FULL DESCRIPTION

Our project comprises of 40 spacious garden homes with lots of natural light and beautiful views of the sea and surrounding mountains of Mijas. Also on offer are 19 luxury apartments and penthouses, all combining modernity and innovation with a natural ambience and privacy. It is this special blend and our commitment to diversification which sets Nature Collection apart.

Our bright, state-of-the-art homes invite you to feast your eyes upon the breath-taking views of the Costa del Sol and its marvellous sunsets. At this project we incorporate the best quality materials the market has to offer into our design, guaranteed and approved by the CTE (Building Standards.)
