FULL DESCRIPTION

This developement is one of the most important urban planning projects for the city of Malaga in recent years. An idea that finds its raison d'être in Malaga, as one of the destinations that arouses the most

interest in the property sector. A constantly developing city, that is open to the world, full of life, art and culture, and capable of transforming itself at the same speed as the great European capitals.

Also it undoubtedly positions Malaga on a much more cosmopolitan and innovative stage, adapted to the needs of international citizens.

It is located in the perfect place to create a project with an extremely high level of architecture, flying the flag for innovation and the cutting-edge, and revamping the western coastline of Malaga, next to the famous Antonio Banderas Promenade. The first luxury property project developed in the city of Malaga, with materials and finishes of an extraordinary quality that can turn this work into a milestone in innovation and design.
