FULL DESCRIPTION

This development is characterized for being a residential complex where every detail has been taken care of, so that you fall in love with your home every day. It's a series of great ideas and a lot of work that makes this the perfect place, integrating the communal areas and vegetation where the outdoor areas flow seamlessly between houses. At the same time, each plot will be an enclosed area with security to offer you privacy and intimacy. Our goal is to create a high quality, innovative and sustainable environment where people live, work and enjoy their leisure time in community, with a variety of spaces where they can gather.

In here you will enjoy spectacular sea views from most of its homes thanks to its magnificent orientation; Surrounded by green areas integrated in the communal areas, where you can relax and breathe fresh air. Each plot is conceived as an enclosed area with security where people can live and enjoy their free time, swimming pools, gymnasium and abundant green areas and gardens, as well as co-working areas from which to carry out professional activities, a workplace where creativity can flow and adapt to current needs.
