**FULL DESCRIPTION**

This new development consists of a total of 48 homes with 2 and 3 bedrooms, in the best area of Cala de Mijas. Each apartment has a large terrace with fantastic views of the sea and access to common areas with wonderful garden areas, swimming pools to cool off in summer and a gym where you can practice 'mens sana in corpore sano'.

The residential complex enjoys an enviable location, in Cala de Mijas, bathed by the Mediterranean Sea. Only one kilometer separates you from the beach. Thanks to its location at the entrance to the Golf Valley, you will be one step away from the many golf clubs in the area. Malaga International Airport, just 20 minutes away, offers connections with more than 130 cities in the world. In addition, you can find educational centers, supermarkets and hospitals within a radius of no more than 5 kilometers.
