FULL DESCRIPTION

Just 44 private residences are available within this gated community, providing two- and three-bedroom apartments, including 10 penthouses, each of which has its own private pools. Amongst the landscaped gardens, there is a beautiful heated pool, sun deck and outdoor covered kitchen for dining with family and friends.

To ensure that time in residence is as enjoyable and hassle free as possible, a comprehensive concierge service is available. For the convenience and safety of owners, there are ample underground parking spaces, private storage areas and 24hr security with guarded patrols to ensure peace of mind.
