FULL DESCRIPTION

This is a dream urbanization designed for those seeking a luxurious life in harmony with nature. In this project, sustainability and innovation are core values, which translate into a healthy lifestyle and a commitment to the environment.

The goal is to create a community that offers an exceptional quality of life and to achieve this, we have designed a wide range of wellness services and modern facilities that ensure our residents live healthy and happy lives. In addition, our elegant and modern townhouses offer a high level of comfort and luxury, designed to meet the needs of the most demanding.

Almost touching the sea and an exclusive housing development located in El Higuérón, between Fuengirola, Benalmádena, and Marbella, is an example of adaptation to the environment.

36 Sky Top Villas with 3 and 4 bedrooms, distributed on the ground floor, and first floor, and solarium with private pool. Maximum use of the land, on 4 height levels, facing south and southwest, so that all homes have absolutely outstanding panoramic views of the Mediterranean.

Exceptional encounter with a captivating natural environment. The rooms with large terraces and a garden on the ground floor allow you to enjoy the bright atmosphere of the Costa del Sol with complete privacy.

This is a unique place where natural beauty merges with cutting-edge architecture, sustainability, and innovation to offer a living experience like no other. Discover the true meaning of luxury living on the Costa del Sol and become part of our community.-
