FULL DESCRIPTION

Celeste Marbella© properties are designed with lifestyle in mind, making them ideal for comfortable, luxurious family life as well as stylish, sophisticated entertaining in a uniquely beautiful setting.

These properties are designed with special features you won't find anywhere else in this price range, offering the ideal blend of refinement within a secure, 24-hour gated community that is private yet close to all amenities.

Celeste Marbella distinguishes itself from the rest because we don't follow, but design homes that are unique – working harder to source materials, details and decorative elements as well as practical solutions that offer more.
