This mansion is situated in the well-know and luxurious urbanization of Marbella Club Golf Resort in Benahavís. The plot is unique for it's fabulous location in the heart of the Costa del Sol, close to both Puerto Banus and Marbella. It has a first line golf position, enjoying fabulous views over the golf course to the sea, Gibraltar and Africa.

The villa is of Mediterranean style and fits perfectly in the natural environment. The mansion offers all kinds of luxury details and comfort. There is for example a wonderful swimming pool in the garden, a Jacuzzi in the main bedroom, and there is under floor heating and air conditioning throughout. There are seven bedrooms and seven bathrooms in total plus two guest toilets.

The spacious basement has a games room. There is a garage for three cars. Named the Hermes Mansion for a reason, viewing essential!
