FULL DESCRIPTION

Located on the 8th hole at Cabopino Golf Marbella, these four bedroom residences boast one of the greatest views in Marbella across the pine tree canopy lined fairways of this impressive golf course.

Taking full advantage of the natural terrain, elevated position and proximity to the beach, all 6 residences boast stunning views of the sea from every floor.

The community features lush gardens with a beautiful pool area and is securely gated around it's perimeter.

Distributed over 3 levels each residence has a wide array of features for luxury and contemporary living including; a private pool, personal elevator, rooftop solarium, double-car underground garage and large stylish walk-in dressing rooms also with sea views.
