FULL DESCRIPTION

These first quality homes are located in an environment with excellent services. Very close is situated the internationally renowned Hotel Reserva del Higueron with 3 restaurants (one of them with a Michelin star), Spa, Tennis, Paddle and several Cafeterias, as well as a small shopping centre.

Located between Fuengirola and Benalmadena, the complex has excellent communications, as it is only 15 minutes by car from Malaga International Airport and less than 30 minutes by suburban train.

If you love the sea and have always dreamed of escaping from the city, opening the windows and enjoying an open sky that melts beyond the horizon with the ocean, come!

If you enjoy unwinding with the light of the Mediterranean, tranquillity and wide and diaphanous spaces, discover in Kronos Homes Panorama a new way of living life.

High quality homes await you with an innovative and avant-garde design, air conditioning, security doors, fully equipped kitchen, salt water pools, gym and even a Business Centre and of course access control for your safety.

It is not a dream; it is a reality, now you only have to decide if you prefer 2 or 3 bedrooms, a ground floor with garden or an attic with a spacious, almost endless terrace.
