FULL DESCRIPTION

Célere Blossom is a new build development located in a unique enclave in the town of Benalmádena, an area known for its beautiful beaches, theme parks and the light that bathes the Costa del Sol.

It is made up of 57 two and three-bedroom homes with garage parking space and storage room included in the price.

Both the architecture and design of Célere Blossom have been created to place all the emphasis on its terraces and its fantastic common areas, where you can enjoy with your loved ones: garden areas, swimming pool, social room and gym.

The homes combine versatility and comfort thanks to their open-plan optimized spaces. The kitchens are designed with a central island, and are open plan and integrated within the living room. In the attics, the terraces are more spacious and have panoramic views of the Mediterranean Sea.

In short, everything you need to spend your time with family in a charming place like the town of Benalmádena.
