FULL DESCRIPTION

This new build residential complex is made up of 166 two, three and four-bedroom homes with garage parking space and storage room included in the price.

This promotion is located in a unique enclave in Mijas Costa, surrounded by vegetation and gardens, with more than 13,000m² of common areas, where you can relax in its spa area with Turkish bath and sauna, swim in its indoor and outdoor pools, start or end the day in the gym or play a game on the padel court. It also has a Social Room where you can meet with your friends or family, putting green, urban vegetable garden and much more!

The design of the homes combines versatility and comfort thanks to the open spaces, such as kitchens with open islands integrated within the living room with direct access to the terraces. All this without forgetting the top quality materials used to offer current aesthetics in line with the Mediterranean design.
