

Casares Exclusive Residential Complex

Casares > Casares

Pre-launch • Apartments

INTRODUCTION

An exclusive development located in the area of Casares in Malaga, which will be completed in two phases. One of its great advantages is which is a private and gated community, with swimming pool in every phase, garden and games children's area in a residential setting and a golf course. One of the smartest decisions in building this complex was to... [Read more online...](#)
