FULL DESCRIPTION

A residential complex with unique 27 apartments with cutting-edge exterior design and superb interior design, boasting bright and open spaces.

Developed by SC Arquitectos, this project has been designed in a way so that you can fully enjoy your residence with all its comforts and conveniences. The apartments feature large rooms, natural light, a kitchen combined with a living room, fully equipped with furniture and with luxurious electric appliances, a bathroom en suite and a toilet. The state-of-the-art technologies in the intelligent homes, exceptional construction qualities and the first-rate facilities will engage your five senses.

In this complex, every single detail has been carefully considered to make sure that the owners can enjoy stunning common areas, gardens with wooded pergolas, an unusual beach-like swimming pool, hammocks, solariums, social club, storage rooms, garages, etc. Simply, anything that you need to live your dream is here.
