FULL DESCRIPTION

This project is a unique, modern and functional residential complex creating an ideal place to live.

The development consists of 90 town houses and some semi-detached homes with 3 and 4 bedrooms, all of which have large terraces, in addition to sea views in a large number of them. Some homes have private garages, located in the basement and with direct access from the home.

Common areas provide one of greatest advantages to making your life much easier and more pleasant. Here it offers an excellent communal area with landscaped spaces, swimming pool, gym, sauna and gourmet social room.

We have taken care of every detail to turn this development into your future home. To make this happen our attractive homes offer balanced distributions and open rooms that have been equipped with first class specifications. In addition, a wide range of customizations will be available to adapt them to the each owners particular tastes with the possibility of incorporating a lift.
