This is a housing project with 1, 2, 3 and 4 bedrooms with a garage and storage room included in the price.

The promotion has exclusive common garden areas, in which its two salt chlorination pools stand out, a gym with sauna where you can enjoy a healthy life, a coworking room so that your work office is closer than ever and a social club in which to enjoy the company of family and friends. Insur Scala is choosing to live in a resort without leaving your home.

Following the contemporary European Open Spaces concept, all the homes have been designed so that they have spatial fluidity between the living room and the open kitchen, with direct access to the terrace, where the views and light will be the protagonists of your best setting. .

The complex is located just a few minutes from the seafront promenade and the beach, in the Felipe VI Auditorium Theater area, a new area of expansion, within the urban area of Estepona. This privileged location allows you to fully enjoy unobstructed views of the sea, the mountains or the city center.

This development has direct access from the road and is close to all the services you may need such as educational, health, sports and commercial centers.
