FULL DESCRIPTION

This brand-new housing complex in Estepona has 61 units with sea views on the Costa del Sol. It is conveniently accessible to Estepona's center and all of its dining, shopping, and recreational opportunities while still being in a quiet area. The idea behind the project is to combine breathtaking panoramic vistas, audacious architecture, cutting-edge design, and the greatest quality in one location to give future owners the most comfort and functionality possible. These two- and three-bedroom apartments provide vast living spaces and patios with breathtaking views. A variety of layouts are available to satisfy all of your requirements and expectations. Additionally, it features beautifully kept common areas, including diverse green spaces. It also has well-kept community features, such as a swimming pool and different green spaces.
