FULL DESCRIPTION

This residential complex has a total of 60 homes with sea views, southwest facing, and with different options to choose from. Apartments with: 2 bedrooms and 2 bathrooms; apartments with 3 bedrooms and 2 bathrooms; and apartments with 3 bedrooms and 3 bathrooms. All with two parking spaces and storage room included in the price. The complex's incredible communal area will amaze you, thanks to its more than 8,000 square metres that include: heated swimming pool for adults, children's pool, heated Jacuzzi, fully-equipped gym, co-working room, community Wi-Fi, 127 square metre viewing plaza and landscaped areas with interior paths, and solar panels that will contribute to sustainability and reduce the community's electricity consumption.

It has a total of 3 blocks of different heights, which will allow you to enjoy excellent views of the sea and the mountains. One of the properties' main advantages is a sense of spaciousness and brightness, thanks to their orientations, as well as the large terraces and windows. In addition, all apartments have double ventilation both on the main facade and at the rear. As for the quality, it includes : air conditioning (hot and cold air) through aerothermal ducts, underfloor heating, motorized blinds in the living room and master bedroom balconies, perimeter security system with video surveillance cameras and installation of Wi-Fi router in each unit.
