FULL DESCRIPTION

This luxurious new apartment complex is located in the heart of San Pedro, just a few minutes walk from the beach and surrounded by amenities. Each apartment will be built using top quality materials with contemporary design and elegance. All properties will have parking space and storage room included in the price. The communal areas will offer state-of-the-art facilities such as a dedicated coworking space, EV charging points for the environmentally conscious, indoor heated swimming pool and a fully equipped gym and spa.
