FULL DESCRIPTION

A residential development of your dreams, stretching through over 40,000 m2 with exotic gardens. A development of buildings with a catching design of white lines and gentle outlines for its south-facing dwellings.

The crystal waters of the lagoon are always clear, and the most beautiful landscape surrounds it. A paradise for numerous water sports, such as paddle surfing, canoeing, sailing, kite surfing and windsurfing, etc...

The first Crystal Lagoons to be built in Europe, for the exclusive use of the ALCAZABA Lagoon residential development: a housing complex in contemporary Mediterranean style in Casares, a privileged zone on the Costa del Sol.

The third phase of the development offers 78 exclusive 2 and 3 bedroom apartments and lofts with spectacular terraces.
