

The first sustainable and Organic Architectural Project in Spain

Benahavís > Benahavís Town

Pre-launch • Villas

INTRODUCTION

"BE LAGOM · Benahavis · The first sustainable and organic architectural project in Spain 13 exceptional villas designed with the best qualities. Something more than a project, much more than a word: BE LAGOM is a whole philosophy of life. Lagom talks to us about everything that is "almost perfect", in short, what is appropriate for you: neither exc... [Read more online...](#)
