

Iconic Development Being Launched in Oslo

11/06/2014

Company News

From 16th to 17th May Asset Folio will be holding private meetings at the Grand Hotel Rica in Oslo to launch Marbella's most anticipated project of this decade.

There has never been a development in-Marbella like The World. Five iconic buildings-will house 112 unique residences set in-beautiful tropical gardens.

From its elevated position just off Marbella's-emblematic Golden Mile The World enjoys-breathtaking views from its huge terraces-across the Mediterranean towards Gibraltar and-Africa.

The World will redefine modern Marbella living-with its ground breaking architecture and-interiors that set new standards in state-of-the-art luxury.-To complete the experience, The World offers-a full range of lifestyle amenities including 24-hour security and dedicated concierge, as well-as luxury spa and peerless gym and fitnessfacilities.-

The World is located just off Marbella's world-famous Golden Mile, a mere five minutes from-the jet set marina of Puerto Banus and award-winning beaches.-Nestled on a hillside,-The World enjoys stunning-views both across the Mediterranean and to La-Concha, Marbella's emblematic mountain.

Offering easy access from the Golden Mile, as-well as a heliport on its doorstep, The World-enjoys one of Marbella's most sought after-addresses.
