AYANA Estepona - Redefining contemporary living in Estepona. 140 exclusive Residences and Penthouses set in a tropical, gated community.

We are delighted to announce the opening of AYANA's first sales office at the Kempinski Hotel. This will be our home for the next few months whilst construction is underway on our on-site sales suite - I am sure many of you have already spotted that infrastructure works have already started. Exciting times!

AYANA brings a unique concept in resort development to the Costa del Sol.

Thoughtfully designed to seamlessly blend into the environment, AYANA is designed to accentuate the quintessential lifestyle and casual vibe of Estepona.

AYANA showcases an exceptional and truly effortless living experience. Featuring sophisticated architecture by Villarroel Torrico, inspiring interiors from Gunni & Trentino and as a standard fitting in every apartment showcases Lutron's wireless smart-home automation system, a first for apartment development on the Costa del Sol.

AYANA is built around 27,000m2 of tropical, landscaped gardens with three outdoor pools, one of which is heated, a central Clubhouse complete with co-working lounge, café bar, spa, indoor pool and gymnasium - and with 24-hr security.

Kathryn May will be managing this office and is available for client and agent presentations, sales resources, and general information. Or maybe you just feel like swinging by to say hi and to grab a quick coffee!
